Professional Placement in Medical Science: MDSC3102

Pre-Placement Compliance Checklist

Placement compliance requirements are an industry pre-requisite for all students and health professionals prior to entering any health facility. Students will not be allocated a placement until all compliance criteria are completed and uploaded to InPlace.

Students are responsible to:

- Allow adequate time to complete all pre-placement requirements
- All documents must be valid for the entire duration of your placement.
- Keep all ORIGINAL documents safe and secure in a placement folder which is taken to all placements.
- Upload all required documents via InPlace. Consult the [InPlace User Guide](#) for help.
- Complete any additional venue specific compliance requirements, if requested.

Further information can be found on our [website](#).
