- Blood Safe Online Module certificate- “Clinical Transfusion Practice” (within 24 months)

Please ensure that the documents are current and will not expire during your placement/at the time of your CoC.

Pre-Placement e-Learning:

In addition to the above information, you will also be required to complete Calvary’s e-Learning modules before Hospital Orientation.

| | |
|---|--|
| <input type="checkbox"/> Calvary National Induction Program- volunteers, agency, students | <input type="checkbox"/> Palliative & End of Life Care Foundation Module |
| <input type="checkbox"/> Calvary Cyber Security Awareness Course | <input type="checkbox"/> COVID-19 Infection Control Principles Training Module |

To gain access to the eLearning hub an email will be sent from Calvary North Adelaide with instructions on access and individual logon details.

Please note that you will not be able to commence your placement/attend a CoC until the required e-Learning has been completed.

Midwifery Student Handout:

Please retain your copy of the “Midwifery Student Handout” (provided at Hospital Orientation) to support you in your placement/CoC at Calvary North Adelaide.

If you require any further information, please contact Kay Evans (Midwife Educator)).

Continuity of Care Students

Please phone ahead to the Maternity Unit or phone the hospital and ask to be transferred to the ‘Hospital Coordinator’ so they know you will be attending. The staff will refer to a Student Spreadsheet which details whether you have met all the above pre-requisites/documentation and will confirm if you are able to attend.
