** Pre-requisites apply

- This template should be read in conjunction with the <u>Course Rule</u> which is the best guide to the required topics in your combined degree
- The Student System will treat you as being enrolled in two separate degrees and will list topics that are outside of your combined course rule. Please be careful to enrol in the correct topics.
- Topic information can be found on the <u>Topic Page</u>

Please note:

• This plan shows what you must complete for this course
